

OpenScienceConference on Climate Extremes and Biogeochemical Cycles in the Terrestrial Biosphere: Impacts and Feedbacks Across Scales

Obergurgl near Innsbruck, Austria

more information on location: <http://www.uz-obergurgl.at/english>

2 - 5 April 2013

Ecosystem responses to climate variability and weather extremes
Recovery of ecosystems after extreme events
Long-term observations and large scale modeling
Feedback mechanisms from the biosphere to the climate system

Organization

M. Bahn | D. Frank | M. Reichstein
University of Innsbruck | MPI-BGC Jena | MPI-BGC Jena

Scientific Steering Committee

M. Bahn, G. Bonan, J. Chambers, P. Ciais, J. Dukes, C. Fang,
Y. Luo, F. Miglietta, J. Moreno, W. Oechel, S. Piao,
M. Reichstein, L. Rustad, S. Seneviratne, M. Smith
