

The Global Carbon Project

Patterns & Variability

Mechanisms & Feedbacks

Future Trajectories & Carbon Management

**A framework
for Internationally
Co-ordinated Research
on the Global Carbon Cycle**

www.globalcarbonproject.org

Activities

**Multiple-Constraint
Data Assimilation**

**Regional & Global
Carbon Budgets**

**Vulnerabilities of the
Carbon-Climate-Human System**

**Carbon Sequestration and
Sustainability**

**Regions, Carbon, Culture, Cities,
Climate, Change and
Consequences (RC6)**

**International Ocean Carbon
Coordination (IOCCP)**

**Integrated Global Carbon
Observations (IGCO)**
